

Fayette County Retired Educators Association

Spotlight Ads

\$50.00 or more

Spotlight Ads are one way of donating to the Fayette County Retired Educators Association. This type of ad makes a \$25.00 donation to the Georgia Retired Educators Association and the other \$25.00 helps our local Retired Educators Association. With your generous donation, the local chapter of Retired Educators supports Fayette County students and teachers in the following ways:

1. One high school senior pursuing a degree in education is awarded a \$1,500.00 scholarship.
2. One student from each middle school is selected each year to receive a leadership award from our local chapter.
3. Newly hired educators who are attending New Teacher Induction are treated to breakfast by our local chapter.
4. Our local chapter makes donations to support current teachers through the Education Foundation, a donation to FCBOE to assist with retirement celebrations, and a donation to the Teacher of the Year celebration as well as a monetary donation to the Fayette County Teacher of the Year.
