# WHAT DO FCREA MEMBERS DO?

- Fellowship together at meetings; support those who are sick, having a birthday, or need help!
- Join other retired educators across the state of Georgia in writing our legislators when bills come up that threaten our livelihood or the profession in general.
- Bring in supplies for the Teacher Resource Center or the Fayette Samaritans
- Volunteer our time and energy at the Teacher Resource Center, in schools, at foodbanks, etc.
- Bring our change every month to donate to the Alzheimer's Association.
- Stay abreast of changes in the state and locally by reading the GREA newsletter and the local FCREA newsletter.
- Learn new things at meetings like how to avoid scams, what is going on in the state and community, and how to plan a trip with a local travel agent who works for teachers!
- Support our local retirement home with an educational Christmas tree.
- Raise money and give a 1500.00 scholarship to a deserving senior going into the field of education.
- Recognize and applaud an 8<sup>th</sup> grade student with outstanding leadership and scholarship in each of our middle schools.

Be a part of our organization! Join today by mailing your FCREA dues to Mary Maud Hiestand, 409 Willow Way, Peachtree City, GA 30269. Local dues are \$15.00.
